<b>Award Description</b> Redford Township, Michigan is an Entitlement Grantee in the HUD Program. Under ARRA 2009, our Township has benefited from the allocation of \$261,229 in CDBG-R funds, which are supplemental to our regular CDBG Program. Redford Township will utilize the CDBG-R funds to support a broad range of housing & community development projects. Proposed are 11 activities using CDBG-R funds. All non-planning and administrative funds will either benefit low and moderate income persons or areas that are considered by HUD to be low and moderate income areas.

**Infrastructure Purpose and Rationale** The purpose of these projects was to create construction jobs and promote economic recovery. Redford Township is a middle class community comprised of blue collar, hard-working individuals. The economic crisis has had a significant impact on the job market in SE Michigan. The jobs that were created for both of these projects were in the construction industry and it was our intention to promote economic opportunities with the temporary construction jobs that were created with CDBG-R funds.
