

2014 Best Yard Awards
Redford Township Beautification Commission

At the September 23, 2014 Regular Meeting of the Board of Trustees the 2014 Best Yard Awards were presented by the Redford Beautification Commission Member; Nick Mikula. Commissioner Mikula began by informing the Board of Trustees the history of these Awards. They began in 2005 and used to drive 180 miles throughout the township and now with emails, it is easier to receive nominations. They had 50 nominations and whittled down to 10. Some nominations had to be eliminated as they had won in the past. Each winner(s) received a plaque and sign for their lawn.
