

## **ARE YOU A RETURNING OIF/OEF VETERAN?**

**We are conducting a study that uses group counseling techniques for helping veterans decide if they want to engage in counseling for post-deployment stress problems.**

**To complete the screening questionnaire you must have served in one or both OIF/OEF and live in Wayne County.**

- **Screening for the study takes 15 minutes, if eligible time will vary up to six weeks with a three month follow up.**
- **Possible benefits of the study are increased knowledge about problems for returning veterans and finding from this study helping future returning veterans.**
- **Small incentives provided for completing the screening paper work, additional incentives provided if eligible.**

**For more information, please call the number below.**
