

7<sup>th</sup> Annual Doggie-Rama

SATURDAY JUNE 23, 2012 10AM – 3PM

Redford Township Ice Arena, 12400 Beech Daly

Redford Township Trustee Diana Brang-Schroeder announces its 7th Annual Doggie-Rama. She is the event's organizer and creator, Diana says "Doggie-Rama promotes the health, safety and welfare of animals in Redford Township through animal education groups, low cost vet services and adoptions from local rescue groups." She started this event 7 years ago when she saw how many people lined up to take advantage of the discounted rabies vaccinations and dog license.

"These people love their animals so why not have an event that revolves around that and caters to them." Doggie-Rama is free event and open to the public.

Doggie-Rama is a dog & cat lover's extravaganza and will feature pet adoptions, an onsite pet photographer, animal face painting for the kids, dog trainers, animal related crafters, retail vendors or even have your dog's nails trimmed while you shop!
