PRESS RELEASE

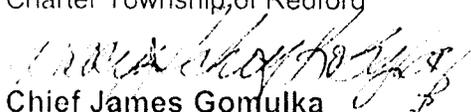

At approximately 9:15 am this morning an explosion occurred during the normal course of tank cleaning operations at DuraTech in Redford Township.

While there were no reported injuries, 2 DuraTech employees were sent to a local clinic as a precautionary measure.

There appears to be no environmental impact to the public; however, the Township has contacted the Michigan Department of Environmental Quality to request air sample monitoring to ensure the health and safety of the Community.

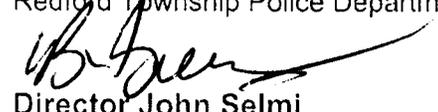

There are no road closures as a result of this incident.
